

INDUSTRIAL STRENGTH

**"SIMPLY AWESOME"
D - GREASER**

IMPORTANT: CONSULT ALL MATERIAL SAFETY DATA INFORMATION PRIOR TO USE OF THIS PRODUCT

SOLD AND DISTRIBUTED BY

A concentrated, low-foaming cleaner engineered for degreasing and removing soils, varnishes and most carbonized oils from a variety of surfaces.

DIRECTIONS / DILUTION RATIOS:

Heavy Duty Cleaning: Dilute equal amounts of Simply Awesome and Water (1:1).
Medium Duty Cleaning: Dilute 13 oz. of Simply Awesome and 1 gallon Water (1:10).
Light Duty Cleaning: Dilute 4 oz. of Simply Awesome and 1 gallon Water (1:32).
 Specific concentrations vary depending upon several factors:
 Type of surface being cleaned, length of time solution is in contact with surface, hardness of water, and operating temperature.

Note: Always test solution for color safety in an inconspicuous area before applying. Manufacturer shall not be liable for any consequential or other damages resulting from product use or misuse.

PRECAUTIONARY STATEMENTS

- Product is corrosive to skin and eyes. In case of contact with skin or eyes flush with water for at least 15 minutes. Get immediate medical attention.

FOR INDUSTRIAL USE ONLY

STOCK #: SA

SIZES: 1 gallon, 5 gallon, 30 gallon, 55 gallon

PURPOSE: One of the most powerful degreaser/cleaners ever designed specifically for easy removal of grease, tar, oil deposits and heavily soiled areas, from most washable surfaces and equipment. Deep cleaning and degreasing action acts quickly to penetrate and lift grease/soil from surfaces. Leaves surfaces clean and free from any greasy residues.

SURFACE APPLICABLE: Safe to use on most surfaces. NOTE: Always test solution for surface and color safety.

WHERE USED: Awesome is used successfully in most heavy industries. It is uniquely formulated to handle most types of grease and soils, using any kind of application. NOTE: Do not use on polished aluminum.

PROPERTIES: A red colored liquid. Contains organic wetting and penetrating agents, emulsifying and solubilizing agents, specifically formulated blend of detergents and water-soluble safety solvent.

HOW USED: Dilute with water. Dilution ranges from 1 - 1 to 1 - 32. See product label.

HANDLING: See product label and Material Safety Data Sheet.

ADVANTAGES:

- Concentrated
- Safe on most surfaces
- Cleans and degreases
- Biodegradable
- Leaves no residue
- Built-in rust inhibitors
- Dilutable
- Economical

PRECAUTIONARY STATEMENTS: KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes. Avoid prolonged breathing of vapor. Should contact occur with eyes, flush with liberal amounts of water immediately. If ingested DO NOT induce vomiting. GET IMMEDIATE MEDICAL ATTENTION.
